

SILVERTON YACHT

The Art of Living Well on the Water

The NEW 2014 **43'** CONVERTIBLE

Introducing the new Silverton 43C. If life is said to begin at 40, this convertible truly knows the secret of living well. You will be amazed by the freedom of movement possible within the artfully conceived spaces of the new 43 C.

Our design team has treated one of the mainstays of the Silverton fleet to exterior and interior refinements that will appeal to a new generation of boaters. This beamy yacht utilizes space to a remarkable degree with ample amenities and storage give her the undeniable feel of a luxurious Miami or New York penthouse.

Consider the two luxurious double-berth staterooms served by a split-head and stall shower arrangement. A superbly styled cabin is perfect for conversation or more lively demonstrations of satisfaction. You will also be amazed by the generous cherry accents, which warm and enrich the interior. And all will be impressed by her smartly restyled exterior lines.
