

SILVERTON YACHT

For Those Who Want More of Everything

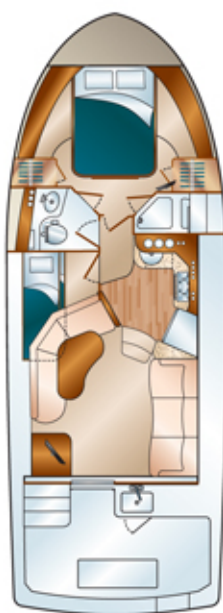

The NEW 2014 **36'** CONVERTIBLE

Introducing the new Silverton 36C, with attention to detail, an uncommonly roomy master stateroom and plenty of room for entertaining the 36C truly gives the feel of a luxurious Miami or New York penthouse.

The profile of the 36C is sleek and sports the famed Silverton command bridge with a stairway and efficient helm station. The large panoramic salon windows and forward hull windows give the boat a clean and sleek look as well as allowing more natural light inside.

Mr. John Kelly of John Kelly Design of Philadelphia has fashioned fantastic new design schemes to please the most discriminating boater. The finish throughout is extremely high quality and includes designer fabrics and mahogany and cherry accents. Buyers will now have the opportunity to order a variety of types of wood and fabrics for their boats making each 36C as unique as its proud owner.

36' CONVERTIBLE

SPECIFICATIONS

LENGTH OVERALL	37' 7"	11.46 M
